

Hello Everyone!

I've been looking forward to writing about Pisces. I'm dedicating this issue to two individuals who have significantly changed my life this past year. They are both born under the sign of Pisces. The first special person I met in October, 2007 who has a career as a Video Compression Engineer. Then there is my long term good friend Bill Mayer who is embarking on a new career as a Motion Artist. Notice the similarity in career path for Pisces. After listening to the songs associated with Pisces, which, by the way, I've experienced much enjoyment in selecting, they will understand how they relate to them individually. ☺ I hope you enjoy viewing the YouTube video links underneath the lyrics.

I apologize for the newsletter being a few days late. I've been busy with work and completing coursework for school. However, classes have ended this week and I am so relieved to be able to take a breather, at least for 1 week before 2 new classes begin. ☺

Individuals born during 1958 and 1959 experienced a conjunction to natal Pluto from our February 20th Total Lunar Eclipse. Did everyone have the opportunity view this lovely event? The Sabian Symbol for this Eclipse was "A WHITE CROSS, DOMINATING THE LANDSCAPE, STANDS ALONE ON TOP OF A HILL". According to Lynda Hill's *The Sabian Symbols as an Oracle* (2002), this is a strong symbol of suffering and loss and the hope of faith and salvation. The idea, or belief, that suffering and the giving up of one's personal desires as a means to salvation has special significance for many people, but what does it really mean? True religion is supposed to unite people in many ways, however, dogmatic expressions of faith can either unite, or divide people, even in what should be a common cause. (p.152) Socio-Cultural values and beliefs passed down from one generation to the next impose segregation, bias and prejudice that ultimately separate people rather than build relationships. This Lunar Eclipse emphasized how religion and cultures dictate against one's personal needs and desires. Instead, we need to cultivate love, acceptance and forgiveness. We are reminded to develop a strong sense of "Universal" spirituality.

develop. Pisces' polar opposite (12th house - hospitals) is Virgo (6th house- health). The immune system is under strain when Neptune makes difficult angle connections by transit in your birth chart. (conjunctions, squares, oppositions and quincunx)

Your ruling planet is the romantic, dreamy, wispy, illusive and mutable planet Neptune. Neptune is fog...you simply can't "grasp" it and it's often too dense to see through it. If Neptune is strong in your chart, you may have artistic or musical ability. The image I envision of Neptune is the Good Fairy sprinkling fairy dust that temporarily clouds your good judgment. Since Neptune/Pisces rules the feet, ballet dancers and dancers of all kinds may fall under Neptune's domain. Negatively, if Pisces folk aren't in tune with their inner calling they may fall prey to Neptune's illusions and develop addictive tendencies and a victim mentality causing them to lose their way and get lost at sea. Alcohol is poison to Pisces folks.

Sexually speaking, the Pisces/Virgo polarity is symbolic of the victim/savior, sadomasochism, experimentation, visual stimulation and images that fuel an active inner fantasy world; pornography and voyeurism is likely. Erogenous zones are the feet.

Candy Man / Lollipop by Aqua

I am the Candyman - Coming from Bountyland.
I am the Candyman - Coming from Bountyland.
I wish that you were my Lollipop.
Sweet things, I will never get enough.
If you show me to the sugar tree,
will you give me a sodapop for free.
Come with me Honey, I'm your sweet sugar Candyman.
Run like the wind - fly with me to Bountyland.
Bite me, I'm yours - if you're hungry please understand.
This is the end - of the sweet sugar Candyman.
Oh my love - I know you are my Candyman,
And oh my love - your word is my command.
Oh my love - I know you are my Candyman,
And oh my love - let us fly to Bountyland.
You are my Lollipop - sugar sugar top
You are my Lollipop - sugar sugar top
I wish that I were a Bubble Yum,
chewing on me baby all day long.
I will be begging for sweet delight,
until you say I'm yours tonight.

Words that best define Pisces: Adore, Bliss, Enchantment, Love, Compassion, Denial, Boundaries, Dreamy, Captivating, Idealistic, Sacrifice, Martyr, Vaporous, Impressionable, Addictive, Unreal, Imaginative, Romance, Victim, Savior, Masochist, Joy, Ecstasy, Selfless, Deceptive, Affection, Sensuality, Artistic, Shoes, Feet, Nervous System, Emotional, Giver, Sensitive, Trickery, Ambiguity, Secrets, Expressive, Illusions and Clairvoyant.

Neptune "blurs" our vision of reality and may create self-deception or draw deceptive people and situations into the life of the individual. Neptune and/or Neptune transits are prevalent in addictions of all kinds. With Venus/Neptune there could be deception in love, idealistic expectations of the loved one, affairs or alcoholism and drug abuse. The positive manifestation could be artistic and musical ability and a compassionate and romantic nature. Mars/Neptune can dissipate energy; energy "leaks" are common, and passive/aggressive behavior is likely. The positive manifestation would be psychic ability and acute intuitive sensitivity as well as a deep romantic and sensual nature. Neptune and Pisces have loose or undefined boundaries because boundaries were overstepped or not defined in childhood. Boundaries are limitations of what we will and will not tolerate or accept from others. They indicate where you and I begin and end. Often, when Neptune, Pisces and the 12th house are involved, we may have undefined boundary issues especially in our interpersonal relationships. The lack of

personal boundaries may have been learned because of invasive or overbearing parents or siblings when we were children. We feel deception within the parental household on an unconscious level...parents may have kept secrets from the children or from each other. This may manifest in boundary issues as we grow and begin to engage in relationship. There is something vague, that we do not trust. Sometimes we give up too much or not enough just to be in a relationship or within our friendships or working environment. You might not know where to draw the line in relationships. You might allow others to overstep your boundaries too often creating a win-lose situation.

Since Pisces is the last sign of the zodiac, some say it is the most spiritually evolved sign because compassion and selflessness are indicative of a person with Pisces energy. Intuition and psychic ability are possible with planets in Pisces, located in the 12th house or in aspect to Neptune. There is a gentleness, softness and innocence related to this sign. One of the 3 emotional water signs, Pisces lives in a world of dreams and romance. This romantic soul wants to feel deeply connected with their partner.

AFFECTION By Alfred Gockel

According to Guttman and Johnson (1996), psychologically, we may say that the desire for love, sex and relationship is one of the first human functions - or perhaps *the* first - to emerge from that ocean of unconsciousness symbolized by Pisces. (p. 43)

First time
That I saw your eyes
Boy you looked right through me, mmmhmm
Play it cool
But I knew you knew
That cupid hit me, mmm mmm

You got me trippin, stumbling, flippin, fumbling
Clumsy cuz I'm fallin in love
You got me slippin, tumbling, sinking, fumbling

Clumsy cuz I'm fallin in love
So in love with you

Can't help it
The girl can't help it (repeat 3x)

Can't breath
When you touch me, see
Butterflies so crazy, mmm mmm
Whoa now, think I'm goin down
Friends don't know whats with me, mmm mmm

You got me trippin, stumbling, flippin, fumbling
Clumsy cuz I'm fallin in love
You got me slippin, tumbling, sinking, fumbling
Clumsy cuz I'm fallin in love
So in love with you

Can't help it
The girl can't help it (repeat 3x)

You know, this isn't the first time this has happened to me
This love sick thing
I like serious relationships and a
A girl like me dont stay single for long
Cuz everytime a boyfriend and I break up
My world is crushed and I'm all alone
The love bug crawls right back up and bites me and I'm back

Can't help it
The girl can't help it (repeat 3x)

**Denial is a protective device, a shock absorber for the soul. It prevents us from acknowledging reality "until" we feel prepared to cope with that particular reality. People can shout and scream the truth at us, but we will not see or hear it until we are ready.**

Ascendant in Pisces: Your appearance is soft and gentle. Artistic expression is a must for you and you have an active fantasy life. Because you are a mutable sign, you are ambivalent, indecisive and changeable. Worry, self deception and indecisiveness are possible. Pisces rising folks tend to have sensual lips and very large, soft eyes.

SOUL MATES/RELATIONSHIPS:

ADORE by Jerry Clovis

The Pisces/Virgo - Ascendant/Descendant Relationship Axis (1st house/7th house)

As mentioned in past issues, knowing your partners 7th house cusp (the relationship house) and the ruler of that house will indicate the type of partner you may attract or are attracted to and the method of relating within a relationship.

The Ascendant or Rising sign is the sign rising on the horizon at the time of birth. This is the face we show the world, our "mask" for which our Sun hides behind. This is our outer personality, temperament and disposition as well as how we experienced our early home environment growing up. It is the way others see us and also gives indication of our physical appearance. The ruler of the Ascendant and the aspects (connections to other planets in your birth chart) further delineate and define your physical appearance.

The Descendant, or 7th house cusp, its ruler and the aspects it makes in your birth chart, is symbolic of the type of partner you are attracted to. The 7th house is the house of all partnerships including marriage and legal contracts yet also considered the house of open enemies or the Defendant in a law suit.

Whatever we do not own in ourselves we tend to attract the negative qualities or shadow through the 7th house. In relationships, Pisces has Neptune as the modern ruler and with benefic Jupiter as the ancient ruler. If you have a Pisces Ascendant, you appear mercurial and may have a naïve disposition. You may be more spiritual than most. Because you are a mutable sign, although you are flexible you may also be indecisive. Your appearance is soft and gentle. Artistic expression is a must for you and you have an active fantasy life. Because you are a mutable sign, you are ambivalent, indecisive and changeable. Worry, self deception and indecisiveness are possible. Pisces rising folks tend to have sensual lips and very large, soft eyes.

With Mercury ruled Virgo on the Descendant you seek a methodical, practical, articulate partner. Mutual sharing and communication within any partnership is absolutely critical to you. You desire intelligence and refinement in a partner. Attraction to a partner with those qualities who is organized and analytical as well as health conscious is possible.

One of the first things you could look at when you have the birth data of a potential partner, is their Mercury placement since Mercury is the planet ruling your descendant (Virgo).

It is also possible for a Pisces Ascendant to attract a partner who has planet Mercury prominent in their chart. Prominent Mercury would be in aspect to the Sun, Moon, Mars, Venus or elevated in conjunction to the MC (10th house cusp) or IC (4th house cusp) conjunct or ruling their Ascendant or Descendant or Sun sign in Gemini or Virgo.

Knowing the date, time and place of birth is important in making correct determination of the Ascendant/Rising sign, the sign rising on the horizon at the time of birth. This cusp sets up all the other house cusps which are the divisions of the houses or areas of life.
